

## **Country Town 4<sup>th</sup> of July**

(Keith Abler – Mike Dellger – Bill Bernico )

It's a hot summer treat and we're in for a treat  
The freedom train's comin' our way  
And everyone gathers in the mid-day heat  
To celebrate America's day

Well the sun's at high noon and it's hot as a torch  
And lemonade's makin' the rounds  
The rocker is creakin' on grandfather's porch  
The air's filled with holiday sounds

People cheerin' on the train  
It's blowin' smoke a half mile high  
Children running waiving flags  
It's a Country Town 4<sup>th</sup> of July

As the sky turns dark and the temperature falls  
Fireworks light up the sky  
A crowd gathers around at the old Town hall  
Speeches bring tears to the eye

The townsfolk all leave and the fireworks die  
The festival comes to an end  
And they've all had their fill of the cookies and pie  
They're anxious all to do it again

People cheerin' ...
