

## **KINNEY SPARK**

( Keith Abler )

Oh, the walls of this hotel room are so thin  
The couple in the next room arguing  
But I'll complain it the noise gets rather rowdy  
Or the Prime Rib that you ordered has no seasoning  
Television hero, high paid salary  
Tripping in your limousine is such a gas to me  
Ah ooh lava rova ban ami  
Ah ooh lava rova ban ami

How was your steak tonight, nice and bloody?  
Killer Instinct running wounded in the night.  
Ripped the soul in the uniform very costly  
Oh the pain Corretta Jones feels for her lost son Dwight  
While the city's sleeping what's on tube tonight  
Kinney Spark or Lassie, I'll wonder with delight

Ah ooh lava rova ban ami  
Ah ooh lava rova ban ami  
Ah ooh lava guru in Miami  
Ah ooh lava guru in Miami
