

On My Way

(Keith Abler – Bill Bernico)

My love is not enough for you to stay
And you've lost that feeling there's nothing I can say
I don't really want to go
But it's over now I know
If it's over now then I'll be on my way

Does forever mean until you need to go
If it makes you sad then please just tell me so
All you want is to be free
And we just disagree
If it's over now then I'll be on my way

Try to find what you've left behind
and teach your heart to mend
And I'll be here for you when your running ends

Just remember as you leave that I'll be here
With a love that you and I held dear
If you come on back to me
Then together we can both be on our way
