

## Someone

( Keith Abler – Mike Dellger )

I need someone to believe in:  
something to pursue.  
Someone to believe in:  
perhaps even someone like you.

From the long street echoes cathedral bells  
ring through the trees at noon.  
A whirling procession of restaurants and cars  
like a scene from a Disney cartoon.

I need someone

Jane takes the women shopping,  
the boss and his "gal" lock the door.  
Everyone talks without stopping  
while I take It all in from this floor.

When this life gets reckless in aching ways  
and all our thoughts drift far apart.  
I wasn't meant to sift it all through  
and I wouldn't even know where to start.

But with you it's so different  
like no one else exists.  
A warm glance, a touch and I'm lifted  
to where my fears are all dismissed.
