

## **You're the One**

( Keith Abler )

You are the woman that I love  
There ain't no doubt about it baby  
I'll say it right out loud and hope that you will hear  
You know you are – you know you are the one

I had a bad sense of self-security  
It wasn't much fun at that party  
We found each other and together all alone  
You know you are – you know you are the one

You know I ain't got too much money  
But what I've got I'll share with you  
Hey hey I'm not trying to be funny  
You know you are – you know you are the one

You are the reason I found love  
I'll shout it from the highest mountain  
So come here closer and I'll whisper in your ear  
You know you are – you know you are the one
